

TENNESSEE ALLIED HEALTH

DIRECTORY

2020-2021

FORWARD

This directory is being provided to you by the Center for Health and Human Services at Middle Tennessee State University with support from the Adams Chair of Excellence in Health Care Services. Please submit changes or corrections to chhs@mtsu.edu for future inclusion in the directory. Please include in the subject line “Allied Health Directory” so that prompt attention may be given.

Allied Health programs in some institutions may be housed in different academic units. These programs will be listed on the same page but in a separate paragraph under the school’s name. We have attempted to include all state and not-for-profit schools offering Allied Health Programs.

Revised: October 2020
